To Whom it May Concern:

This letter serves as a business testimonial for the excellent work done by Nane Solutions (2004/058578/23) for the 2010 FIFA World Cup South Africa Local Organising Committee (LOC) during the planning and execution of the historical 2010 FIFA World Cup South Africa.

Nane was commissioned to:

1. Analyse the internal communication requirements of the 2010 FIFA LOC.
2. Built a web portal for registration, accreditation and management of their volunteers before and during the 2010 FIFA World Cup Draw in Durban.
3. Built a web based mail list management system, used by media around the world, to register and receive media announcement before, during and after the 2010 World Cup.

Nane Solutions delivered all these solution within budget and always on time and often exceeding expectations as scope used to change frequently.

I would highly recommend Nane Solutions to any business seeking a reliable partner to implement technology solutions.

Yours Sincerely

A handwritten signature in blue ink, appearing to read 'D. Jordaan'.
